

HIGHLAND MIDDLE SCHOOL MISSION STATEMENT

Parents, staff members and administrators believe the mission of Highland Middle School is to provide an educational program and environment that is designed to meet the needs, interests and abilities of a particular age group—the early adolescents. Our mission is based on the following belief statements. We Believe:

1. All students can learn
2. Parental involvement in the education of their children is a key to student success
3. Staff and parents will encourage and guide students to critically think, reason and problem solve
4. Staff, students and parents should have high academic and behavioral expectations
5. Students should develop independence and accept responsibility for their actions
6. Students will become aware of their unique physical, mental and social traits
7. Students will develop respect for the legal and personal rights of all individuals in a democratic society
8. Students will acquire a lifelong learning pattern for living in an ever-changing society
9. Staff and students will attend school in a safe, clean environment that promotes wellness and is drug, alcohol and tobacco free
10. Staff will provide instruction in a variety of academics and arts to develop student potential
11. Through active involvement of parents, staff, administrators and local and county government officials, students will develop pride and membership in the Highland community
12. Students should be offered leadership opportunities

STUDENT RESPONSIBILITIES

A responsibility is an obligation one has to ensure that the rights of all are protected. All students have the responsibility to:

1. Attend school to receive an education. No one has the right to interfere with the education of others.
2. Attend school daily unless ill or legally excused. Ohio law requires a student to attend school until the age of 18. Schools cannot educate students who do not attend class.
3. Be on time for all classes. Students who enter a classroom after a lesson has begun are interfering with the rights of others to learn and study. Punctuality is a habit that students must develop if they are to succeed in the world of work.
4. Come to class with necessary materials. A teacher should not have to delay instruction because a student has come to class unprepared. This is interfering with the rights of others to learn and study.
5. Complete all in-class and homework assignments and meet deadlines. The full responsibility for student learning does not rest solely with the

teacher. There can be no effective education unless students participate in class and complete outside assignments.

6. Obey school rules and school personnel. Rules are designed to allow a school to meet its obligation to education students. Students are required to obey and be courteous to everyone who works in our schools.
7. Volunteer information and cooperate with school staff in disciplinary cases. There is a difference between being a “squealer” and a responsible person. Every community depends upon its citizens to uphold the rules by which everyone has agreed to live. Students have the responsibility to provide truthful information when asked by school authorities.
8. Respect the person and property of others.
9. Respect public property and carefully use and return all materials and equipment.
10. See that school correspondence to parents reaches home.

GUIDANCE

The purpose of the guidance program is to help each individual student achieve his/her highest growth mentally, emotionally and socially. We try to do this in several ways: 1) Helping the new student feel at home in our school with new teachers and friends. 2) Individual conferences whenever a student, a teacher or the counselor deems it necessary. 3) A testing program designed to help the student learn as much as possible about his/her capabilities. 4) The counselor welcomes the opportunity to talk things over with any student, parent or teacher. 5) Assist the students with any problems that might occur.

ANNOUNCEMENTS

News of school activities, special meetings, and other items of interest to students are made each morning during 1st period. It is important that students listen carefully and refrain from talking. All announcements can be found daily on the school web site.

VISITORS

Parents are always welcome to visit. All visitors should sign in at the main office. **Student visitors from other schools cannot be accommodated.**

TEXTBOOKS

The school furnishes books to all students. This is done with the expectation that this major investment will be properly safeguarded. It is expected that all books be covered. Reasonable wear is expected as a result of daily use; however, **unreasonable damage to textbooks such as broken corners, etc. will result in fines for repair or replacement.** Lost textbooks must be paid for and replaced immediately.

LOCKS AND LOCKERS

Students will be issued lockers at the beginning of the year

from their homeroom teacher. The care and cleaning of the locker is the responsibility of the student. The student may be held accountable for any damage to the locker. **Students are not permitted to put any decorations, signs, etc. on the face of the lockers.**

Lockers are the property of the Highland Board of Education. Board of Education Policy authorizes school personnel to search any pupil's locker and contents thereof upon reasonable suspicion that the contents contain evidence of a criminal or school rule violation. Additionally, we reserve the right to search personal property, clothing, and belongings in the event such personal property is suspected of containing, hiding or possessing evidence of a criminal or school rule violation.

BOOK BAGS AND COATS/HATS

Students are encouraged to bring their books to and from school in book bags but are required to keep their bags in the assigned lockers during the school day. Coats and hats are encouraged to be worn as dictated by weather conditions. They also are required to remain in the student's assigned locker during the school day.

ATTENDANCE

1. Students are expected to attend all classes everyday and on time. Parents are urged to make appointments outside of school hours.
2. The school should be notified as soon as possible of any absence. Parents or guardians are to call the Middle School attendance line at (330)239-1901x1511 before 9:00a.m. to acknowledge the reason for the absence.
3. **After permitting ten (10) "excused by parent" absences for the school year, an administrator may require further documentation (e.g. Doctor's note) for any additional absences to be considered excused. If no such documentation is provided, the absences may be considered unexcused and the child will be considered truant.**
4. **TARDINESS** - If you arrive after school has started, you will need a note from your parent to be presented to the office upon arrival at school. You **must sign in** at the office when you arrive. Students arriving to school between 7:30 a.m. and 11:00 a.m. will be counted as tardy. Students arriving after 11:00 a.m. will be charged with a 1/2 day (a.m.) absence.
5. **Permission to leave early**- If it is necessary for you to leave early, a note must be presented to the office before school starts. The note must explain the reason for early release. Your name will then be placed on the attendance sheet indicating the time you are to be excused. Any student leaving school prior to 11:00 a.m. will be charged a 1/2 day absence. Students leaving after 11:00 a.m. will be counted as attending a full day for reporting purposes. All students are required to **sign out** in the office before leaving the building.
AT NO TIME ARE YOU TO LEAVE SCHOOL OR SCHOOL PROPERTY WITHOUT NOTIFYING THE OFFICE PERSONNEL.

EXCUSED ABSENCES OR TARDIES

An excuse for absence or tardiness from school may be approved on the basis of any one or more of the following conditions.

- a. Personal illness. The approving authority may require the certificate of a physician if he deems it advisable.
- b. Illness in the family. The absence under this condition shall not apply to children under fourteen years of age.
- c. Quarantine of the home. The absence of a child from school under this condition is limited to the length of quarantine as fixed by the proper health officials.
- d. Death of a relative. The absence arising from this condition is limited to a period of three days unless a reasonable cause may be shown by the applicant child for a longer absence.
- e. Home due to absence of parent or guardians. Any absence arising because of this condition shall not extend for a period longer than that for which parents or guardians were absent.
- f. Observance of religious holidays. Any child of any religious faith shall be excused if the absence was for the purpose of observing a religious holiday consistent with his/her creed or belief.
- g. Emergency or set of circumstances which in the judgment of the Superintendent of Schools constitutes a good and sufficient cause for absence from school.
- h. It will be the judgment of the Middle School Principal to deem those absences or tardies that will be excused.
- i. Students who know in advance that they are going to be absent from school shall ask the main office for and complete a Planned Absence Form.

UNEXCUSED ABSENCE/TRUANCY

Student absence for a reason other than those listed in the Board of Education Student Attendance Policy will be considered an unexcused absence. A student who is absent from school must present a statement of the reason for the absence, the date(s) of absence and the signature of the parent or guardian. A student who does not present a statement with a valid excuse (see excused absences) will be charged with an unexcused absence.

Truancy is defined as an unexcused absence from a class or from school. Students will not receive academic credit for schoolwork missed including daily assignments, homework, quizzes, tests, projects, laboratory exercises, etc. Parents will be informed of truanancies. Disciplinary action which may include referral to the Medina County Juvenile Court will be taken with the student.

TARDIES

Students are provided transportation to school and are expected be in school on time.

5 unexcused tardies = Thursday detention.

10 unexcused tardies = Saturday detention.

15 unexcused tardies = 2 Saturday detentions and a

conference with the student's parents.

MAKE-UP WORK

An excused absence gives a student the privilege of making up work that has been missed. Students will be allowed the same number of school days to complete missed work as they were absent (e.g. 4 days absent, 4 school days make-up). An exception to this occurs when a student is in school the day previous to a test but absent on the day of the test. In this event, he will be expected to take the test on the day of his return to school. Due dates may be also extended in the case of emergencies, funerals, and under other extenuating circumstances. Parents will be provided, upon request, make-up work after **three (3) consecutive days** of a student's absence.

MAKE-UP WORK DUE TO TRAVEL

Highland Middle School does not believe students should be excused from school for non-emergency trips out of the district. Students who are taken out of school for trips or vacations will not be given permission to do so by the school. The responsibility for this will rest with the parents. They must not expect any work missed by their child to be retaught by the teacher. The make-up policy for excused absences will be in effect.

APPEARANCE

Pupil Personal Appearance

The Highland Local Board of Education recognizes the fact that for the best interests of the school, its general environment, and those who are responsible for its program, it is desirable to exercise some control over extreme manners of dress and personal appearance of students. Therefore, it is the policy of the Board that the Superintendent and the building principal, in consultation with teaching staff if necessary, are authorized to be responsible for determining when a student's manner of dress or personal appearance is such that it is considered indiscreet or improper in so far as the best interests of the school as a whole are concerned, and that the principal and/or superintendent should take steps to correct examples of such dress or improper personal appearance.

Dress Code

Dress and appearance of students are to be governed by standards of cleanliness, neatness, health, safety, appropriateness, and decency in an academic environment within the limits of the guidelines set below. The district and administration will determine and enforce these guidelines in accordance with prevailing community expectations:

1. The Board is committed to providing the students an educational environment free of the dangers of firearms, knives and other dangerous weapons.

Each student is to have sufficient materials and books to study for the detention period and is to cooperate with the detention supervisor. Students will be given one school day's notice. Students must bring their own packed lunch from home to detention. Students will not be permitted to purchase a lunch in the cafeteria. Should a student receive two detentions for the same day, he/she must serve the second detention on the following day. Students failing to report to detention will receive the following consequences...

1. First Offense- One additional lunch detention.
2. Second Offense- One Thursday Detention.
3. Third Offense- One Saturday Detention.

Should a student receive two detentions for the same day, he/she must serve the second detention on the following day. Students absent from school on the day

of a scheduled detention must serve that detention the next available day.

THURSDAY DETENTION

Thursday Detentions may be assigned by the middle school office and will be served on Thursday from 2:30 to 4:30 p.m. at the middle school. Each student is to have sufficient materials and books to study for the detention period and is to cooperate with the monitor. Students must be picked up at 4:30 p.m. Students appearing late or failing to appear for a Thursday detention will be assigned a Saturday detention.

SATURDAY DETENTIONS

Accumulation of discipline referrals and/or detentions can result in a Saturday detention. Saturday detentions will be 8:00 a.m. to 12:00 p.m. in the high school cafeteria. Students failing to serve a Saturday detention will be issued a two day in school suspension.

CHEATING/PLAGIARISM

Plagiarism is defined as using a source without giving credit to the author (i.e. books, magazines, internet, newspaper, etc.) Cheating is defined as acting dishonestly:

1. Copying another student's work (test, homework, classwork, etc.)
2. Allowing another student to copy your work.
3. Using prohibited materials for tests (cheat sheets).
4. Handing in the work of someone else as your own.

To act dishonestly in the form of cheating or plagiarism will result in the following consequences:

- First Offense- Student will receive a score of zero for the assignment.
- Second Offense- Student will receive a grade of "F" for the grading period and a Saturday Detention.
- Third Offense- Student will receive a grade of "F" for the year and a suspension.

CAFETERIA AND LUNCH HOUR

Student behavior in the cafeteria should be based on courtesy and cleanliness. This means leaving the area in the condition you would like to live in. Students are to remain in the cafeteria until they have finished eating. At no time are pupils allowed to take food outside of the cafeteria. Students are not to go into areas where classes are being held during their lunch hour. Additional guidelines include:

Cafeteria/Recess Rules and Regulations

1. Students must go to their lockers and the restroom **before** or **after** the lunch period. Hallways are off-limits during the lunch periods.

3. Students must bring coats and appropriate clothes to go outside for recess in inclement weather. Students will not be allowed to return to their lockers.
4. Students will clean their eating area of any litter and wash their table before being dismissed to recess.

ACTIVITY NIGHTS

Once entering the activity, students cannot exit without permission. Students are expected to remain the entire time. Activity Nights are for Highland Middle School students only. Violation of school rules at an activity night may result in the student's immediate removal and/or result in other disciplinary action, including permanent revoking of the privilege to attend future activity nights.

In order to alleviate our parking lot problems, parents are encouraged to use our staggered dismissal. Sixth graders will be let out at 8:45; seventh graders at 9:00; and eighth graders at 9:15. If you have more than one child at the Middle School, pick up at the time of the oldest child.

FIELD TRIPS

Field trips are a privilege. Their purpose is to allow for an enrichment experience that goes beyond the confines of the school. When it is the consensus of the team teachers that the behavior of any student is consistently disruptive and his/her behavior would interfere with the learning experience of the group, the student will not be permitted to participate in the field trip.

From time to time, field trips and absences may require students to submit homework prior to departure. It is the student's responsibility to make the necessary arrangements with teachers to meet this requirement.

ASSEMBLIES

Assemblies are a regularly scheduled part of the curriculum and as such, are designed to be educational as well as entertaining experiences. They provide one of the few opportunities in school to learn formal audience behavior. Regardless of the type of program, courtesy demands that the student body be respectful and appreciative. In live entertainment, unlike radio, television or movies, the performers are very conscious of their audience. Talking, whispering, whistling, stamping of feet and booing are discourteous. Yelling is appropriate only at pep assemblies.

MESSAGES

If a parent calls to leave a message for his/her child, the office personnel will do their best to see that emergency messages are given to the student. Because we believe that responsibility is an important character trait for students to develop in middle school, we do not expect students to call home for anything forgotten (books, lunches, money, projects, P.E. equipment, etc.) nor do we encourage parents to provide these items once the students have arrived at school.

ATHLETIC ELIGIBILITY

GRADES 7-8: Students must be currently enrolled in school and received passing grades in the immediately preceding grading period in 75% of subjects in which enrolled (this also applies to beginning ninth grade students). Language Arts is two instructional periods that is weighted double in determining GPA, athletic eligibility, summer school and retention. Students must also earn a GPA of 1.5. If under 1.5 GPA but passing 75% of subjects in which enrolled, participants may have eligibility reinstated at the interim report if GPA is above 1.5.

PHYSICAL EXAMS- ATHLETICS

An OHSAA physical examination form signed by a physician **MUST** be on file in the office **BEFORE** a student can participate in any tryouts and/or athletic programs. The form can be found on the school web site. These exams are valid for one calendar year.

COLLECTION OF MONIES

Throughout the school year there will be many occasions in which the student will bring money to school to pay for such items as workbooks, pictures, school fees, etc. It is requested that these monies be clearly marked (as to purpose) in an envelope with the student's name and teacher's name and when possible, please have the correct change. A suggestion would be to pay all fees by check. This will provide you with a record of payment. If a student abuses school property, loses lent material, has an unpaid fee or library fine, the school may withhold report cards until the debt has been paid.

EMERGENCY SCHOOL CLOSING

In case of any emergency school closing, radio stations WAKR (1590 AM), WKDD (96.5 FM), WNIR (100 FM; 1520 AM), WQMX (94.9 FM), WEOL (930 AM), WONE (97.5 FM), WHBC (94.1 FM; 1480 AM) and T.V. Channels 3, 5 & 8 will broadcast news of the school closing. Weather conditions may result in the emergency closing of our building. Parents and students are requested to provide, in writing, any alternative transportation arrangements dictated by these conditions.

FIRE DRILLS

Fire drills will be held at least once a month in accordance with the state law. Students should be familiar with the room evacuation plans that are listed beside the door in each room. During a fire drill all students should leave the building as quickly as possible. There should be no talking or excess noise during these drills since silence must be maintained in order to allow for further instructions that may be given. Students should move to their designated place on the playground or lawn and remain in formation until the signal is given to return to the building. A roll call may be taken in order to account for every student.

TORNADO DRILLS

Tornado drills will be held each spring in accordance with

state law. Students should be familiar with the room evacuation plans that are listed beside the door in each room.

During a tornado or tornado drill, students should move to their designated tornado safety area in a quick, quiet manner.

If you injure yourself or become ill at school you are to report immediately to the office. Your parents may be notified to come to school for you if necessary. You will wait for your parents in the office.

MEDICATION

For those who have physical conditions which require medication, the following procedures must be followed: 1) The students must not carry or administer any medication to him/her self. 2) The school will supervise administration of medication in pill form only. It will not assume responsibility of administering liquid medication, application of ointments, changes of dressings or injections. 3) A parental medication form accompanied with a doctor's authorization form (both available in office) **must** be completely filled out and signed before the school will take any action. 4) Over-the-counter medication will not be administered unless provided by the parent.

7TH GRADE MMR REQUIREMENT

State law mandates that all students must receive a second MMR (measles, mumps and rubella) immunization prior to attending the 7th grade. County and local health agencies provide these immunizations at a reduced cost. Seventh grade students deficient in their second immunization will be **excluded** from school **beginning in September and until proof of immunization has been provided to the school.**

MEDIA CENTER GUIDELINES

The Library is open every day from 7:30 a.m. to 2:20 p.m. Students are required to use the materials of the library or to work on a school assignment when they are in the library. Students are to conduct themselves according to the regulations of the library. No loud talking is permitted. A quiet working atmosphere is to be maintained at all times. Those who do not follow these guidelines may lose the privilege of using the library. Reference books, magazines, textbooks, etc. are to be returned to their correct location at the end of the period.

PROMOTION/RETENTION

Promotion procedures demand continuous analysis and study of the cumulative student case history records so that guesswork and conjecture may be reduced to a minimum and decisions may be as objective as possible.

1. A student may be promoted to the next grade level after successful completion of four or more core academic subjects (language arts, math, science, social studies)
2. Students failing one or more courses may be required to successfully complete summer school course work in order to be promoted to the next grade.

3. A student may be placed in the next grade level if it can be established that the student is working to his/her ability, even if they have failed to meet the requirements of promotion.
4. For purposes of retention, Language Arts will count as a double grade.

REPORT CARDS

Report cards will be given to students at the end of each 9 week period. Exception: Report cards will be sent to students by mail for the last 9 week period. Report cards will not be given to students who have not paid their fees, fines, etc.

INTERIM REPORTS

Interim reports for all students will be mailed home to parents in the middle of each grading period. Please contact the guidance counselor if this report is not received.

SUBSTITUTE TEACHERS

These teachers are guests and their impressions of Highland Middle School depend upon their brief visits. Please be as helpful and considerate as you can. Substitute teachers are to receive the same respect as regular teachers. Students misbehaving for a substitute will be referred to the office and disciplinary actions will be rendered.

DISTRACTIONS

iPod's, CD players, electronic games, laser pointers, etc. serve to distract others. These items are not permitted during school hours. School personnel are authorized to confiscate these items and turn them in to the office.

CELL PHONES/COMMUNICATION DEVICES

A pay phone is available for student use. The office telephone is restricted to use by students for emergencies only. Forgotten items and after school plans do not constitute an emergency.

Cell phones may not be used by students under any circumstances during school hours. Any cell phone seen or heard during the school day will be confiscated. Once confiscated, parents will be required to pick up the cell phone at the middle school office.

There is **NO EXPECTATION OF PRIVACY** regarding data or information stored on any electronic device. If such device is confiscated, the school administration will exercise its right to inspect and investigate any material contained within. Evidence of violation of school rules will be used for disciplinary purposes.

COMPUTER USE

Students must have a completed COMPUTER AND INTERNET ACCEPTABLE USE form on file by the second week of school. At that time, anybody who has not turned in the form will be denied use of school computers until the obligation is met.

STAYING AFTER SCHOOL

Students staying after school must be under the direct supervision of an adult or staff member. Students not taking the bus home, but waiting for private transportation must be picked up no later than 2:45 p.m. These students are asked to wait in the back parking lot for their transportation to arrive. Students are encouraged to take the bus home and not to walk home due to the lack of sidewalks and safe area to walk. Students who do walk are required to provide a permission slip from their parent and guardian. Students in the building unsupervised after 2:45 p.m. will face disciplinary action.

PICK-UP/DROP-OFF

Parents should drop-off/pick-up students in the back parking lot (west side of school) between 7-7:30a.m. and 2:15-2:45p.m. Please do not use the front lot at these times.

AFTER-SCHOOL TUTORING
