

Operation Christmas child is a program that chain links will be sponsoring. This program helps give under privileged children the opportunity to have Christmas. We will be filling shoe boxes with toys for boys and girls of all different ages. They'll be shipped out all around the world and may be the only Christmas presents these children get. **WE NEED YOUR HELP!** Chain links will be making boxes and they will need supplies. We are looking for:

- school supplies: They love pencil boxes!
- crayons

- tools (tape measures, pliers, screwdrivers, small kits)
