Department of Education as

The Highland Local School District has been rated *Excellent with Distinction* by the State Department of Education on this year's Ohio Local Report Cards. This designation marks the **ninth consecutive year** that the Highland Local School District has earned Ohio's highest rating.

The *Excellent with Distinction* designation has been added to the report card rating system this year to recognize high-performing districts and schools that continue to enrich their students. This new designation indicates that Highland has met the previous accountability system's criteria for *Excellent*, in addition to demonstrating two consecutive years of above average progress for students. In addition to the overall district rating of Excellent with Distinction, all of the district's buildings were rated Excellent or Excellent with Distinction.
