

## The authors of Ribbit! are hopping into town!

On Friday, Sept 25, Bender & Bender will visit Granger Elementary to talk about their new, interactive picture book. Kids of all ages love flipping the book's split pages to create more than 3,000 different frogs!

Check out their website for fun froggy activities, reviews, events, **drawing contest**, talking frogs, coloring pages and 3-D projects.

A wild mix of talent, including photography, digital imaging, computer illustration, and set and prop making, produces the unique photo illustrations at Bender & Bender. The studio is located on twenty-five acres of woods outside Waldo, Ohio (population: 400). Bender & Bender images have appeared in the Centre Pompidou in France, George Eastman House International Museum of Photography and Film, Communications Arts, Photographis, and The Art of Persuasion: A History of Advertising Photography by Robert A. Sobieszek.

Bender & Bender includes creative geniuses “Dr.” Larry D. Watts and Fred Bender, computer wizards Ben Bender and Jeremy Hachat, critter costumer Chad L. Bender, text tweakers Sue L. Bender and Kristy Bender Zurbrick, and master photographers James Lawson and Josh Perrill. More than 2,500 hours of people power went into the creation of this book.
