- Space is limited! Please call Highland Boys Varsity Golf Coach Larry Wilhelm at 330-958-1979, or e-mail Coach at lwilhelm@highlandschools.org to reserve your spot.

CLINIC GOALS:

1. To introduce golf – for fun or competition – to as many juniors golfers as possible, providing them with a life-long love of the game, the lessons learned and the exposure to nature and friends not available in any other environment.
2. To inspire young men with a "can do" approach to hitting it further, scoring better and enjoying golf more.
3. To educate students about the game, the equipment, the history, the swing, various types of shots and the future of golf as it pertains to them.
4. Prepare students for competing in club, league, team and tour events – from the swing to scoring, rules, etiquette and emotional and psychological challenges.
