FOR IMMEDIATE RELEASE

Rob Henry appointed new principal of Hinckley Elementary

MEDINA, OHIO (6/21/10) – Rob Henry has been appointed as the new principal of Hinckley Elementary School, effective August 1, 2010. He replaces Mrs. Stacie Rastok, who officially retires at the end of this month after serving seven years as the Hinckley Principal.

Mr. Henry has nearly 15 years experience in education, including the last two years as the assistant principal at Highland Middle School. Prior to that, he taught for six years at North Royalton High School and for four years at Stebbins High School in Riverside, OH. Mr. Henry earned his Bachelor of Science degree in Secondary Education from the University of Dayton and his Masters in Education Administration from Baldwin-Wallace College.

“Highland is an excellent district with an excellent reputation,” stated Mr. Henry. “I am fortunate to have this opportunity to further my career within the Highland Schools. I look forward to this new challenge and to working and growing with the staff, students and families in the Hinckley community.”

Superintendent Catherine Aukerman said, “After screening 85 applications and interviewing over 30 applicants for this position, it is our pleasure to name Mr. Rob Henry as the next principal at Hinckley Elementary School. Mr. Henry is an excellent educator and has been a great asset to the District during his tenure at Highland. I am certain that he will continue to enhance the quality educational programs already in place at Hinckley. He is very child-centered and student-oriented, which is exactly what we were looking for as we conducted the search for the next Hinckley principal. I know that he is eager to meet the students at Hinckley Elementary School and looks forward to working with the staff and community.”
