4. Search and Select a Location
5. Schedule an Appointment
6. Medical Provider Scans QR Code
7. Vaccination Administered and Confirmed

medinahealth.org/vaccine

Questions: vaccine@medinahealth.org

Step 2: Create an Account

Please complete necessary fields. Click next to continue. If a field is required, it will turn red if not completed.

Health Insurance Information is NOT required for a COVID vaccine provided by the Medina County Health Department.
Step 2: Finalize Registration with Code

Once complete, you will sign-in with your email. You must request a code to complete sign-in. You can then decide if you want a pin or other security options.

Step 3: Find a Provider

Click the “Find Provider” button.

On the next screen, tap COVID-19.

Step 4: Schedule an Appointment

If there are open appointments, locations will display. Click a location to see available appointment times. Pick a time and continue.

If no open appointments are available, you will get a message stating No Providers Found or No available appointments

You will receive a confirmation email that will include vaccine information.

Step 5: Check-In

24 hours prior to clinic “Check-In” via the app or the website.
Additional Information:

**How to add a family member:**

Click the family tab on the bottom navigation bar.

Click the addition button on the bottom right.

Add your family member(s) and their information.

*If a family member is under the age of 18, a parent/guardian must create an ArmorVax account and add minor as a family member. The parent/guardian must also be the one to schedule the vaccine appointment for their child.*
