MMA FUN-FITNESS BOOT CAMP (GRADES K-8)
Mixed Martial Arts FunFitness Boot Camp consists of cardio, plyometric, muscular endurance & strength exercises and improves concentration, coordination, confidence, discipline, grades, power, speed and mental toughness. The camp has no belt fees, no initiation fees, and no testing fees, and allows children to reach their own potential rather than directly compete against others. This is a dynamic and challenging approach to self-defense for children who are athletic, energetic, awkward or shy, bold, nice or maybe even a little wild once in a while…MMA FunFitness Boot Camp is probably for a kid just like yours. Children’s self-defense takes many forms. Many parents worry about their children being safe on the street yet one of the real problems concerns a child’s ability to defend themselves against other kids. MMA FunFitness Boot Camp teaches children to think instead of panic in potentially serious situations as well as how to react to threats from other children or acquaintances. Parents are welcome to observe every class.

- Saturdays, January 22, 29, February 5, 12, 19
- Grades K-2: 12:30-1:15 p.m. / Registration $40.00

BEEKEEPING 101
Have you considered becoming a beekeeper but you just do not know where and how to get started? Maybe you think honeybees are special (and they are) and you want to learn more about the inner workings of the colony so you can do your part in helping the honeybees and other native pollinators. This class will teach you beekeeping essentials for the first year. A complete beehive will be brought in to utilize as a demonstration tool to allow the prospective beekeeper to visualize the equipment involved. The use of beekeeping tools for hive inspections will be demonstrated. A detailed explanation of what specific things to look for during the inspection will be covered. You will learn about the roles of the worker bees, the queen and the drone. Find out where propolis, flower pollen, honey and royal jelly come from and the medicinal benefits we can reap from the honeybee bi-products. Also learn about diseases that afflict the honeybees and what the cause of colony collapse disorder is. Visit us at our website gaughanbeedancin.com for a complete list of events and products. Participants in the class will receive the book “First Lessons in Beekeeping” and a syllabus.

- Tuesdays, January 18, 25, February 1, 8, 15 / 7:00-9:00 p.m.
- Registration $85.00
