Theresa Wright, Executive Director of the Highland Foundation, reported that the Community Spring Appeal Letter has been sent out. The Foundation has provided over $50,000 in grants this school year and also reached a milestone this year of granting funds in excess of $1,000,000 since the Foundation’s inception. The Foundation is looking for feedback from the community. A survey can be found online at: www.highlandfoundation.org.

Mrs. Aukerman reported that the House and the Senate finally reached an agreement on additional calamity days. She provided a review of the legislation and also communicated Highland’s plan for the remainder of the school year. Key talking points were as follows:

- Currently, Ohio allots 5 days for calamities that do not have to be made up in any given school year.
- Most school districts have exceeded 5 days this school year because of the harsh winter.
- The Governor requested that the Legislature provide a one-time relief measure to schools this year. Next year, districts will move from required minimum days of instruction to required minimum hours of instruction, so this should not be an issue for the majority of schools going forward.
- For this school year, school districts have a local option for adding (4) calamity days to the current (5) days that do not need to be made up, ONLY AFTER a district has used (4) of their required contingency plan days.
- To date, Highland has experienced 9 calamity days. As a result, four days need to be made up utilizing the available options provided in the legislation, which are discussed below. If additional calamity days occur, calamity days 10 through 13 would not need to be made up. Beyond 13, calamity days must be made up. Boards have the authority to add 30 minute increments to remaining school days to make-up additional days.
- Boards also have the authority to substitute contingency plan make-up days with “blizzard bags”, which are online or paper assignments equivalent to one day’s worth of work.
- Another key provision of the legislation was excusing 12th grade students from attending any days that they would otherwise be required to attend as a result of the calamity days after the District’s scheduled graduation ceremony. Our seniors graduate on May 23rd, so any days that are made up after that, seniors will be excused.
- There is also a provision that basically delayed the administration of the state tests and reporting of the resulting scores.

What does this mean for Highland?

- When the calendar was adopted, the Board designated 5 make-up calamity days. For this school year, the designated make up days are May 30th, June 2nd, 3rd and 4th, and 5th.
- Mrs. Aukerman said people are anxious to hear about the options. We are scheduled to do make up days at the end of the year, unless the Board chooses to do something else.
- Mr. Kelly is not in favor of blizzard bags. We teach our children in school and feels the days should be made up at the end of the school year.
- Mrs. Thomas is in favor of in-class instruction, especially with the tests coming up, and added that school ends at a similar time as in year’s past.
- Dr. Christopher stands by the Board’s original decision on the school calendar and believes this is in the best interests of our students.
Mrs. Aukerman said the school calendar planned for this situation. We will work with families on a case by case basis if issues arise.

Mr. Wolny agreed with decision that additional classroom time is better for the students.

BOARD MEMBERS’ AGENDA ITEMS

SPECIAL RECOGNITION OF MEDINA COUNTY’S 2014 HOMER B. SMITH “TEACHER OF EXCELLENCE AWARD” WINNER – CHRISTOPHER P. ILG

Mr. Will Koran, Superintendent of the Medina County Educational Service Center, said it is with great pride that this award go to “the person who probably has the finest choirs in all of Northeast Ohio.” He then introduced Mr. Homer B. Smith to present the 2014 Homer B. Smith “Teacher of Excellence Award” to Mr. Christopher P. Ilg, high school choir and music theory teacher.

Mr. Smith said he has had the opportunity to see our choirs throughout the County and that he is utterly amazed at the performance that they give. With great honor, Mr. Smith presented Mr. Ilg with a commemorative mug, plaque, and a $1,500 gift certificate to attend any national conference within his field of expertise.

Mr. Ilg said how happy he was more than 20 years ago to have two schools that were hiring mid-year, one of them being Highland. He interviewed on a Thursday, was hired on Friday, and started his job with Highland the following Tuesday.

SPECIAL RECOGNITION OF THE 2014 FRANKLIN B. WALTER AWARD WINNER – ALEC WITHERS – TOP STUDENT IN COUNTY

Mr. Koran said occasionally the number one student in the county also resides in the same district as the number one teacher in the county. Mr. Koran presented
the Franklin B. Walter Award to the top student in the County: Highland senior Alec Withers.

Mr. Koran also introduced the governing board members of the Medina ESC who were in attendance for the award presentations.

MOTION TO RECESS FOR RECEPTION 14-05-56

Mr. Kelly made a motion, seconded by Mr. Houska, that the Board of Education recess for the reception in honor of Christopher P. Ilg, 2014 Homer B. Smith “Teacher of Excellence Award” winner, and student Alec Withers, the 2014 Franklin B. Walter Award winner.

Mr. Kelly, yes, Mr. Houska, yes; Mr. Wolny, yes; Mrs. Thomas, yes; Dr. Christopher, yes.

Motion carried.

The Board recessed at 7:13 P.M. and the meeting was called back to order at 7:34 P.M.

Dr. Christopher added his congratulations to Mr. Ilg and Alec Withers and said it is well deserved and we are excited for both of them.

HEARING OF INDIVIDUALS AND/OR DELEGATION REPRESENTATIVES

Theresa Wright, Executive Director of the Highland Foundation, provided an explanation of the STAR Award program, which gives individuals or groups an opportunity to show their appreciation for Highland staff members and teachers. STAR Award recipients receive a certificate, a small or large box of bon-bons, and/or a hand-etched Hornet diamond, which can be used as an ornament or sun catcher. Of that amount, 60 – 75% goes directly to the Foundation.

FIVE YEAR FORECAST UPDATE

Treasurer Neil Barnes provided an overview of the updated May 2014 Five Year Forecast, which is due to the Ohio Department of Education by May 31, 2014. He explained that due to favorable variances experienced on the revenue side driven primarily by the increases associated with new construction growth and the property taxes that go along with that, the current version of the Forecast projects no deficit spending for the duration of the Forecast period. He also noted that participation in the Stark County Schools Council of Governments Health Insurance Plan has been instrumental in controlling benefit costs. These factors along with others are helping the District achieve its ongoing goal of lengthening the current levy cycle as long as possible.

APPROVAL OF UPDATED FIVE YEAR FORECAST AND ASSUMPTIONS 14-05-60

Mr. Wolny made a motion, seconded by Mr. Houska, that the Board of Education approve the updated Five Year Forecast and Assumptions for the five year period ending June 30, 2018, as presented.

Motion carried.

APPROVAL OF FINANCING FOR THE HIGHLAND HIGH SCHOOL ATHLETIC COMPLEX 14-05-61

Mr. Barnes provided the Board with a brief explanation of the process that has culminated in the recommendation to approve a ground lease, lease-purchase agreement in relation to the High School Athletic Complex Project. The process included, but was not limited to, actively seeking competitive proposals from nine local banks. The deal structure utilized, helped the District save substantially on issuance costs.

Mr. Wolny made a motion, seconded by Mrs. Thomas, that the Board of Education approve and authorize a ground lease, lease-purchase agreement and related documents providing for the construction, furnishing and equipping and the lease and eventual acquisition of improvements to a building for school district purposes, as presented, and authorize and approve all other related matters.

SUPERINTENDENT’S AGENDA

FACILITIES REVIEW PRESENTATION – CATHERINE AUkERMAN

Mrs. Aukerman pointed out that the District has been involved in a long term strategic planning process for both school buildings and athletics facilities. The Board authorized the Ohio Facilities Construction Commission this past school year to evaluate all of the District’s educational facilities. Their assessment is complete and they have compiled much information and reports for each of our schools.

Mrs. Aukerman also touched upon the District’s community engagement efforts with respect to our aging elementary and middle schools. She noted that there was an initial phone survey conducted with community leaders and other individuals identified as being in a leadership or key communicator role within our District. Additionally, staff and parent focus groups were held at our elementary and middle schools and an invitation to participate in an online community survey went out to any email address that opts to receive Highland School news.

Mrs. Aukerman commenced to provide an overview of the OFCC’s findings.

The elementary buildings are aging/old and present numerous challenges. The middle school, while not as old, has significant deficiencies as it relates to current educational standards. Sharon is 92 years old, Granger is 85, Hinckley 65, and the Middle School is 55.

The OFCC is a group that is responsible for guiding capital outlay for all State supported universities, community colleges, as well as Ohio’s public K-12 school construction and renovation program. They completed a comprehensive evaluation of all of our buildings, prior to 2004 before the new high school was built and made recommendations at that time. Ten years later, we invited them back to take a look at our facilities and issue an updated report to us.

The amount of funding provided to a school district through the OFCC’s Classroom Facilities Assistance Program is determined by the respective school district’s relative property wealth. That is, a calculation is performed to determine the total assessed valuation per student. The higher the assessed valuation per student relative to other public school districts, the lower the amount of State assistance received on an OFCC building project. For FY’14, Highland ranks 573rd out of 612 public school districts in the State of Ohio. In other words, Highland is considered high wealth. Highland would only
be eligible for approximately 6 % funding from the State if the District were to move forward with any type of extensive OFCC renovation or building project.

- The Middle School was constructed in 1959, with additions in ’66, ’97 and ’04, with approximately 110,000+ square feet, brick exterior, and masonry block walls
- Granger Elementary is a 3-story building constructed in 1929 with additions in ’66 and ’77
- Hinckley Elementary is a 2-story building with brick exterior, built in 1949 with additions in ’66 and ’77; gymnasium rebuilt in 2003
- Sharon Elementary is a 3-story brick building built in 1922 with additions in ’50, ’66, and ’77

**OFCC ASSESSMENT DEFICIENCIES**

- Inadequate ventilation systems
- Undersized classrooms in terms of current State standards
- Inadequate electrical systems
- Non-compliant automatic fire alarm systems
- Non-compliant automated fire suppression systems
- Asbestos
- Non-compliant security systems
- Non-compliant with current ADA accessibility requirements
- No air conditioning – Several of our students with disabilities require a controlled climate. We have supplied window air conditioners, and as they move throughout the school, so does the window unit.
- No dedicated space for our buses to load and unload students
- Unrestricted site access – No fence around the perimeter to be able to block off outside traffic coming in

A slide show was provided to illustrate some of the deficiencies the District’s educational facilities have:

- Water damage from leaking roofs where additions were made, hallways lined with buckets
- Falling ceiling tiles
- Rusted boiler system
- Standing water on the flat roof
- Make-shift solutions for hot classrooms
- Poor site circulation
- No dedicated spaces for buses
- Inadequate restroom facilities
- Inadequate parking
- Extensive flooding issues
- Crumbled plaster walls
- Excessive moisture
- Unrestricted site access
- Ongoing maintenance has only been a band aid to the solution
- Deteriorating exterior walls
- Partially fenced playgrounds and parking for security
- Boiler rooms not up to code
- Inadequate power supply for technology equipment
- Information shared with parents and staff concluded the same, but added it is hard for the children to concentrate because of inadequate boiler systems, causing the buildings to be too cold or hot.
- Retro-fitting old buildings are costly and not effective

With our buildings being 80 to 90 years old, they have served the community well, however, we need to start thinking about what our next step will be. The Sales Tax
revenue brings in approximately $1 million dollars annually, which is far short of what the cost will be to build elementary schools and renovate the middle school. It would take approximately 45 years to raise the money to build new elementary schools using only sales tax revenue. A bond issue would be necessary for any new construction that we would have.

Dr. Christopher said the sales tax is budgeted for current maintenance, buses, textbooks, security, etc.

No decisions have been made, however, we have a very large problem, especially with Sharon and Granger.

A facilities advisory committee has been formed and will meet over the summer. They will be coming to the board with a recommendation in the fall. They will also tour the buildings, with Sharon Elementary in July.

Mrs. Aukerman said the buildings are nearing 100 years old, and it is time to address the issues, because the buildings are not getting any younger.

Mrs. Aukerman said we have already received a lot of criticism regarding the use of sales tax money toward a stadium or the public/private partnership toward a stadium.

Mr. Kelly said he hopes the community understands that the buildings and stadium both need to be addressed, and hopes the matter does not become a debate.

Mrs. Thomas said when the buildings were built, we were about one-third in size than we are today.

CRA COMPENSATION AGREEMENTS – MARIA KIPFSTUHL, MCEDC

Maria Kipfstuhl, Business Development Manager for the Medina County Economic Development Corp., provided information regarding community reinvestment area compensation agreements for S & V Properties of Granger, $1,000 per year for 15 years, and Hemingway Development of Sharon, $9,000 per year for 14 years.

TRANSPORTATION REIMBURSEMENT RESOLUTION FOR 2013/2014 14-06-77

Mr. Kelly made a motion, seconded by Mr. Houska, that a contract be entered into with those parents/guardians/custodians of pupils for whom local transportation is impractical and which provided reimbursement in lieu of transportation that does not exceed the State average of $250.00 and is pursuant to ORC 3327.01 and State Board Standards ED-917.02.

HEARING OF INDIVIDUALS AND/OR DELEGATION REPRESENTATIVES

Theresa Wright, Executive Director of the Highland Foundation, shared that the Highland Foundation’s 10th Annual Great Gifts Benefit Dinner Auction will take place on November 8th. It will be held at Weymouth Country Club beginning at 6 P.M with a cocktail reception, dinner served at 7:00 P.M. and an auction, gaming tables, and dancing from 8 to 11 P.M. Tickets are $100.00 per person ($75 for Highland Staff) with proceeds supporting the Foundation and its mission to enrich education through academic innovation.

Todd Hill, resident, Highland alumni, and co-founder of the Highland youth wrestling program, expressed his concern about the current search for a new high school wrestling coach and said he would be happy to offer his assistance with the search.

Mr. Bob Kelly said we are just as concerned as parents and want to keep the wrestling tradition going and to help get it back on track.

SUPERINTENDENT’S AGENDA

STATE REPORT CARD PRESENTATION – CATHERINE AUKERMAN

Mrs. Aukerman provided an overview of the District’s report card as published by the Ohio Department of Education. She noted that academic achievement is the highest it has ever been at Highland and that Highland has earned the highest performance index score in Medina County.

Mr. Kelly credited our great leadership and staff for these outstanding results.

OHIO’S NEW GRADUATION REQUIREMENTS PRESENTATION – MS. LAURIE BOEDICKER, DIRECTOR OF CURRICULUM

Ms. Boedicker discussed new requirements for graduation provided by the Ohio Department of Education. The new requirements did not change the current courses or number of course credits that students must complete to be eligible for graduation.

In addition to course credits, students will earn points toward graduation on seven end-of-course exams: Algebra I, Geometry, English 9, English 10, Physical Science, American History and American Government. These exams will replace the Ohio Graduation Tests.

Students who do not earn the required number of graduation points can still meet the requirements for a diploma if they earn a remediation-free score on a national college admission test. This assessment will be given to students free of charge in the fall of their junior year starting with the graduating class of 2018.

Students also can qualify for graduation by earning an approved industry-recognized credential and achieving a workforce-readiness score on a related job skills assessment. The selection of those assessments is in progress.

For more information, please visit education.ohio.gov, graduation requirements for the latest from the State of Ohio.

APPROVAL OF OUT-OF-COUNTRY TRIP 14-09-106

Mrs. Thomas made a motion, seconded by Mr. Wolny, that the Board of Education approve the High School Out-of-Country trip to Tenerife, Spain leaving on November 19, 2014 and returning on November 30, 2014. (The cost of the trip is being paid for by the participants.)

Mr. Kelly expressed his concerns about the state of the world today and said he is not comfortable with the trip and would be voting no.

Mrs. Thomas indicated that she understood and appreciated Mr. Kelly’s concerns, but that she supports the program and compared it to the recent trip to China by students in March/April.
Dr. Christopher added that he felt confident that the appropriate and necessary caution would be used during the trip to keep students safe.

Mrs. Thomas, yes; Mr. Wolny, yes; Mr. Houska, yes; Mr. Kelly, no; Dr. Christopher, yes.

Motion carried.

Mr. Wolny, yes; Mr. Houska, yes; Mrs. Thomas, yes; Mr. Kelly, yes; Dr. Christopher, yes.

Motion carried.

FISCAL YEAR 2015 FIVE YEAR FORECAST DISCUSSION

Mr. Barnes provided an overview of the Fiscal Year 2015 Five-Year Forecast. The main purpose of the forecast is to provide information that is useful in decision-making processes regarding future levy requests, budget reductions, and negotiations.

Mr. Barnes reported that the District is in relatively good financial shape. The District should not experience deficit spending until FY18, at the earliest. The District will continue to make every effort to maximize revenues and contain costs to lengthen this levy cycle as long as possible.

APPROVAL OF FISCAL YEAR 2015 FIVE YEAR FORECAST 14-10-118

Mr. Kelly made a motion, seconded by Mr. Houska, that the Board of Education approve the Fiscal Year 2015 Five Year Forecast and Assumptions for the five year period ending June 30, 2019, as presented.

Mr. Kelly, yes; Mr. Houska, yes; Mr. Wolny, yes; Mrs. Thomas, yes; Dr. Christopher, yes.

Motion carried.

BOARD MEMBERS’ AGENDA ITEMS

Mr. Kelly thanked Mrs. Aukerman, all the administrators, the Athletic Boosters, and everyone involved with the last home game and said it was a “class act”. He
added none of this was paid for by the District. The fireworks were donated and he said that it “fit” what Highland is all about.

Mrs. Aukerman thanked Dr. Deuber for orchestrating all that took place Friday night. It was a nice night and a wonderful end to an era, and we are looking forward to starting a new era.

SUPERINTENDENT'S AGENDA

FACILITIES ADVISORY COMMITTEE PRESENTATION

Mrs. Aukerman introduced Mrs. Kim Miller, a member of the District Facilities Advisory Committee, Sharon resident, and Sharon Trustee, along with many of the other members who were in attendance. The members consist of local residents, parents, educators, etc.

Mrs. Miller provided a presentation regarding the committees’ recommendation to build three new elementary buildings and renovate the Middle School, in an effort to bring the District’s facilities up to state minimum standards.

Highlights of this presentation were:

- The Facilities Committee met numerous times throughout the summer months to look at all options for the District, and toured all of the elementary buildings, along with the middle school and saw the challenges that students, teachers, and staff face on a daily basis.
- Renovation versus construction of new buildings – The team looked at multiple scenarios and held discussions relating to various considerations including enrollment trends, community demographics, property values, detailed assessments of each school building from the Ohio Facilities Construction Commission, community research that included parent focus groups, teacher focus groups, surveys, in-depth interviews, and community members, studies about the impact of the buildings on teaching and learning, and renovation costs.
- The District’s aging buildings pose significant safety and learning challenges, with some being 90 years old, that have inadequate heating and cooling systems, electrical systems, undersized classrooms, and crumbling infrastructures. The District has done a wonderful job maintaining the current facilities.
- Our schools are not ADA compliant, lack up to date fire suppression systems, with many being prone to flooding and leaking ceiling tiles. These issues impact classroom teaching and learning.
- The State provides a cost threshold to help districts evaluate whether to renovate or construct new buildings. If the cost to renovate a building equals or exceeds 66% of the cost to construct a new building, the State recommends that a district should construct a new building to achieve what they believe to be a better return on investment.
The State reviewed Highland’s buildings and estimated that the cost to renovate them to meet state minimum standards is roughly 79% of the cost to build new ones.

According to the State, constructing a new elementary building would cost approximately $13 million, whereas renovating it to meet state minimum standards would cost around $10 million.

The committee developed and evaluated 14 scenarios in an effort to help solve the District’s facility problems. These scenarios considered everything from consolidating to one single elementary school to constructing three new elementary buildings and a new middle school to renovating all four of these buildings. The committee narrowed these options down to what they considered to be the top four options. The committee then had a strong pros and cons discussion, and voted on the best option. The vote wasn’t even close. The committee overwhelmingly voted to build three new elementary schools and to renovate the middle school to bring it up to state minimum standards.

Mrs. Miller humbly requested that the Board consider moving forward and survey the recommended option with the community to determine the overall feasibility.

Mrs. Aukerman said the committee was very diligent and that the District appreciates everyone’s time and commitment to the process.

Mrs. Thomas, committee member, said a lot of options were considered with good discussions held and research conducted to come up with the best solution. She noted that Highland uses and makes the best of what we have, but it is just time.

Mrs. Aukerman reiterated that the committee was requesting that the Board engage the community to assess the feasibility of their recommendation. This would be accomplished by contracting with a firm specializing in such surveying and data analysis.

**AUTHORIZE CONTRACT TO CONDUCT SURVEY AND FEASIBILITY STUDY 14-10-119**

Mr. Wolny made a motion, seconded by Mrs. Thomas, that the Board of Education authorize the Superintendent to enter into a contract with a professional firm to assist in the conducting of a community survey and feasibility study with respect to District facilities in an amount not to exceed $20,000.

Mr. Wolny, yes; Mrs. Thomas, yes; Mr. Houska, yes; Mr. Kelly, yes; Dr. Christopher, yes.

Motion carried.

Mr. Kelly commented that this was a critical part of what the District did when the new high school was built. The community was engaged and surveyed in a similar fashion and he supports this 100 percent.

**PAYMENT IN LIEU OF TRANSPORTATION – ADDENDUM # II 14-10-120**

Mr. Kelly made a motion, seconded by Mr. Wolny, that the Board of Education approve the Payment in Lieu of Transportation Resolution, as presented in Addendum #I.
Mr. Kelly, yes; Mr. Wolny, yes; Mrs. Thomas, yes; Mr. Houska, yes; Dr. Christopher, yes.

BOARD MEMBERS’ AGENDA ITEMS

Mrs. Thomas said the Highland Foundation Benefit Dinner was outstanding, and had the greatest attendance ever, with 298 and at least 50 staff members. She was happy to see a lot of new faces, and said Dr. Reeves and her team did a tremendous job organizing the event. She said it all comes back to the kids and the community, and thanked everyone for their support.
Mr. Kelly also commented that it was well done, a very fun night, and a great benefit.

HEARING OF INDIVIDUALS AND/OR DELEGATION REPRESENTATIVES

Linda Collins, Trustee on the Highland Foundation and Hinckley resident, presented three grants most recently approved by the Foundation:

- Katie Hatch, Hinckley Elementary Art Teacher, received funding for her grant entitled: I Scream, You Scream, We All Scream for Green Screen - Movies with iPads; green screen technology to create backgrounds and foregrounds - $525.68
- Bonnie Kubilus, High School Art Teacher, received funding for her grant for the National Art Honors Society Inaugural Year Art Advocacy Mission – They just started a Local Chapter of the National Art Honor Society, an advocacy program for the Visual Arts - $4,889.99
- Craig Caroff, Hinckley Elementary Principal, Julie Boggs, Teacher, and Kristina Kosta-Stalder, Intervention Tutor, on behalf of all elementary principals – The grant is entitled One District, One Book Community Reading Grant – This book will be purchased for every elementary student in the District - $11,292.75

The total grant amount the Foundation has approved just this fall is $26,108.42.

Mr. Kelly noted that creating a Foundation for our schools was part of a Strategic Plan many years ago and it is absolutely amazing what the community has done to bring this Foundation to where it is today.

SUPERINTENDENT’S AGENDA

CRA PRESENTATION – BETHANY DENTLER – MEDINA COUNTY ECONOMIC DEVELOPMENT CORPORATION

Mrs. Dentler presented the highlights of an application for tax abatement benefits for a project by the Isomer Group, Inc. which was received in October. This proposed project would be located in Sharon Township in the newest CRA zone at Medina Line Road. This would be the second project in this particular CRA zone. The proposed site is located at the corner of Route 18 and Medina Line Road.

Isomer Group is the real estate arm of Discount Drug Mart and is looking to build a 28,500 square foot building with a real estate investment of $3,580,000 and a total investment of approximately $6.2 million. Discount Drug Mart plans to hire a total of 46 new employees – 17 full-time permanent positions and 29 part-time jobs with a payroll of $950,000 annually.

The CRA agreement calls for a 14 year, 50% tax abatement and requires the specified jobs to be created within three years.
A CRA Compensation Agreement has also been proposed through which the Highland Local School District will receive a payment from the Isomer Group of $3,500 annually for 14 years.

Sharon Township Trustees were presented with both the CRA Agreement and the CRA Compensation Agreement on November 11th and did approve it.

Mrs. Dentler planned to present these agreements to the County Commissioners tomorrow after the Highland Board’s consideration this evening.

Discount Drug Mart would like to break ground in the Spring of 2015 and be completed by October.

According to State laws, if a project is receiving benefits at the 50% level or below, then school board approval is not required. The Commissioners have always made it a practice and a policy to obtain the school board’s approval and townships approval to ensure that the company receiving benefits gives back to the community.

Mr. Kelly said this is a way to bring businesses into our communities, especially Highland, because we rely almost entirely on residential taxes. These companies go to where these abatements are offered. We will receive 50% of these taxes for 14 years and will bring in money that helps to defer residential taxes.

ADOPTION OF ACADEMIC SCHOOL CALENDAR FOR 2015/2016 – ADDENDUM # I 14-11-129

Mr. Wolny made a motion, seconded by Mr. Houska, that the Board of Education adopt the 2015/2016 school calendar, as presented in Addendum #I.

Mr. Wolny, yes; Mr. Houska, yes; Mrs. Thomas, yes; Mr. Kelly, yes; Dr. Christopher, yes.

Motion carried.

APPROVAL OF OUT-OF-STATE TRIP 14-11-130

Mrs. Thomas made a motion, seconded by Mr. Wolny, that the Board of Education approve the Middle School Out-of-State trip to Washington, D.C., leaving on March 25, 2015 and returning on March 27, 2015, as presented. This trip is paid entirely by Highland students.

Mrs. Thomas, yes; Mr. Wolny, yes, Mr. Houska, yes; Mr. Kelly, yes; Dr. Christopher, yes.

Motion carried.
